

JUSTRITE 2-Drum In-Line Spill Control Pallets

Limit Exposure and Clean-up Costs From Hazardous Spills

- Keep personnel safe from accidental slips
- Durable polyethylene pallet is highly resistant to acids and corrosive chemicals
- Seamless construction prevents leaks
- Removable, self-locating grates eliminate ride-up, and allow liquids to flow into sump below
- In-line pallets store drums side by side
- 66 gal. sump capacity
- 49"W x 25"D x 15 1/2"H
- Meets UFC and EPA regulations
